Please review both the **SRCA Modification Design Guidelines** and the **Village Guidelines** for your specific subdivision. In all cases, you need to follow the most restrictive guideline, whether it is located in the SRCA Modification Design Guidelines or your village’s guidelines. A number of villages in Stonebridge Ranch are part of the SRCA as well as members of a neighborhood sub-association. If your home is located in one of these villages, you may need to submit and receive modification approval from your sub-association after receiving project approval from the SRCA. If you have further questions, please contact the Association office.

I certify that I have reviewed the application and have made sure that everything on the submittal requirements form is submitted with the application and have read the Modification Design Guidelines and Village Guidelines for this project:
